

We have been blessed to have both of our children attend St. Peter's Lutheran School from pre-school through the eighth grade. Our son, Alex, will be graduating this year and moving on to High School at Bradshaw Christian. We will always have very fond memories of the spiritual learning environment and the fellowship our children were able to experience in their time at St. Peters and the many friends they made along their journey and we rest assured that they have been well prepared for the next chapter in their education. However, we will miss the annual talent shows, cheer programs and other special family events which St. Peters offered and which provided us with so many wonderful memories. We would like to thank all of the teachers, staff and parent volunteers who made our experience at St. Peters such a special part of our lives.
