

Where has the time gone? It's hard to believe that our 8<sup>th</sup> grade students will be graduating in a couple of weeks. As we look back over the years spent here at St. Peter's, a flood of emotions fill our hearts! Gratitude and thankfulness top the list! We want to thank each and every staff member from St. Peter's School and Church, as well as the parents for all they have done and continue to do for our students. Their love of the Lord provides the inspiration and foundation for all things.

I'll leave you with this quote by Helen Keller, "The best and most beautiful things in the world cannot be seen or even touched, they must be felt with the heart." Words cannot possibly express the heartfelt gratitude our family feels. God bless all of you remaining at St. Peter's and enjoy the years your children have left, as it will be their graduation time before you know it. To those that are leaving for high school or other reasons, please remember Jesus loves you and will remain with you always!

In Christ's name,  
The Baldwin Family
