Sports by nature induce stressful situations. Christian character truly manifests itself during these stressful situations. In addition to coaches teaching the fundamental skills, character building actions will be expected by all participants (students, parents, coaches, referees and staff) at St. Peter's. These actions include but are not limited to:

- Cheer for our team not against the other team
- Encourage our team and the other team
- Accept winning and losing positively
- Hustle at all times
- Practice during team practices
- Practice during one's free time
- Practice even when tired
- Behave as a respected team player
- Sacrifice self-glory for the team
- Keep trying in winning and losing
- Demonstrate a positive Christian attitude in winning and losing
- Respect the coaches' decisions
- Be humble in victory and gracious in defeat
